Cancelled - Sunday Snow Day

Date and Time: Sunday, February 4 12:00 pm - 3:00 pm

Address: Hydro Park East - 70 Madawaska Blvd, Arnprior, ON K7S 1S5

The unseasonable weather conditions have resulted in less than favourable conditions to host our Sunday Snow Day event. The event scheduled for this Sunday, February 4 has been cancelled, however should weather conditions improve over the remaining winter season, we will look to reschedule and create further pop-up activities like this. We look forward to seeing you at our next event and in the meantime, please visit our Wintermission page Arnprior.ca/wintermission and learn more about things to keep you active this winter.

What is all of the best parts of winter? Sliding, snowmen, snowshoeing? We are taking all of the best Snow Day activities and putting them in to one spot, all on one day with Jennifer Charlebois-Robillard from Desjardins.

At Hydro Park East on February 4th from 12-3pm you can join Jennifer and the Town of Arnprior's Recreation Department for an afternoon in the snow. Activities include:

- Sliding Hill
- Snowshoe Races
