Online Public Information Centre for Renfrew County Transportation Master Plan

Date and Time: Tuesday, March 26 6:00 pm - 7:00 pm

Address: online

County of Renfrew has experienced a 3.8% growth in population from approximately 75,423 people in 2016 to 79,247 people in 2021, indicating steady growth within the County. By 2036, the population is forecasted to reach 107,245. To strategically prepare for this growth and enhance the County's existing transportation network, the County of Renfrew retained Egis Canada to undertake the development of the County's first ever Transportation Master Plan (TMP).

The TMP is a strategic policy document that will serve as a road map for short-range, medium-range, and long-range transportation infrastructure investments, as well as multi-modal transportation planning.

The Process

The TMP update will be developed in accordance with the Provincial Environmental Assessment (EA) Act, foll

Following the Approach 1 as outlined in the 2023 Municipal Class Environmental Assessment (MCEA) document. The TMP will cover Phase 1, Problem and Opportunity, and Phase 2, Alternative Solutions, of the MCEA process and facilitate streamlining and implementation of recommended capital works.

Have your say

An important part of this study is consultation with the public, stakeholders, and the County's agency partners. We want to hear from you on the issues and opportunities that you see for the County's transportation system to the horizon year of 2031.

At any time during this study, you can reach out to the project team and provide comments, questions, and concerns to Mehmed Delibasic or Taylor Hanrath. (Refer to pages 2-3 for more contact details).

How to Participate

A virtual Public Information Centre (PIC) is being held on Tuesday March 26th, 2024 to present and gather feedback on the TMP study process. Community input is needed regarding existing travel conditions, community characteristics, transportation infrastructure, as well as next steps in the TMP study. If you have thoughts or concerns about current or future transportation needs in the County of Renfrew, we encourage you to attend and participate.

Public Information Centre (PIC) 1 Details

For the public's convenience, PIC 1 will be livestreamed online.

PIC Meeting 1:

Date: Tuesday, March 26th, 2024

Time: 6pm to 7pm - followed by 30-minute live question period

Location: Microsoft Teams – Virtual

Meeting Link:

You can attend the Transportation Master Plan PIC through the virtual meeting link provided below:

[Click here to join the meeting](#)

The PIC will be broadcasted on Microsoft Teams in a virtual style session. Please note that the formal presentation will start promptly at 6pm. At the virtual PIC, you will be able to learn about our approach and our findings, ask us questions using the chat feature, and share your thoughts and opinions. Your participation in PICs is important to us.

If you are unable to attend the PIC online, the recording of the presentation will also be made available online.

Accessible formats and communication supports are available upon request. The County of Renfrew is committed to accessibility for persons with disabilities. Please contact THanrath@countyofrenfrew.on.ca if you have an accessible accommodation request.

Online Public Information Centre for Arnprior Transportation Master Plan

Date and Time: Wednesday, March 27 6:00 pm - 7:00 pm

Address: Online

According to the 2021 census data, the Town of Arnprior has a total population of 9,629. This is a 9.5% increase from 2016. By 2036, the Town's population is forecasted to increase to 11, 773. To strategically prepare for this growth and enhance the municipality's existing transportation network, the Town of Arnprior retained Egis to undertake the development of the municipality's first ever Transportation Master Plan (TMP).

The TMP is a strategic policy document that will serve as a road map for short-range, medium-range, and long-range transportation infrastructure investments, as well as multi-modal transportation planning.

The Process

The TMP update will be developed in accordance with the Provincial Environmental Assessment (EA) Act, following the Approach 1 as outlined in the 2023 Municipal Class Environmental Assessment (MCEA) document. The TMP will cover Phase 1, Problem and Opportunity, and Phase 2, Alternative Solutions, of the MCEA process.

ss and facilitate streamlining and implementation of recommended capital works.

Easter Egg Hunt in the Parks

Date and Time: Saturday, March 30 7:00 am - 9:00 am

Address: Arnprior

Each year the Easter Bunny runs through Arnprior parks and leaves behind goodies for the children. This year we have early reports that the Easter Bunny has teamed up with the Arnprior Optimistic Women's Club and will have several parks across Town full of chocolate.

Stay tuned to Arnprior's social media channels to learn more.
