

Memo

To: Members of Council

From: Jennifer Morawiec, GM Client Services / Treasurer

Date: February 9, 2022

Regarding: User Fees and Charges By-law

The User Fees and Charges by-law included on the February 14th Regular Meeting of Council, includes the same proposed revisions included in the draft by-law presented on January 24, 2022 Meeting of Council with the exception of the following two additions:

- (a) Schedule A: Licensing - Backyard Chicken licensing fees have been added. These fees were approved by Council in 2021 and by error they were not included in the draft. Final version has been corrected.
- (b) Schedule H: Monuments – The care and maintenance contribution amount for monuments / markers has been amended to reflect the new legislated values set under the Funeral, Burial and Cremation Services Act, 2002 (FBCSA).

Please let me know if you have any questions with the above noted items.

Regards,

Jennifer Morawiec
GM, Client Services / Treasurer
