**RE: Funding of Rehabilitation Facility Serving the County of Renfrew**

Dear Premier Ford:

The Council of the Corporation of the County of Renfrew, at their regular meeting on April 24, 2024, passed the following motion in support of the resolution passed by the Council of the Corporation of the City of Pembroke, attached, requesting the Province of Ontario to allocate funding specifically for the establishment of a mental health, addiction, and residential drug treatment rehabilitation facility serving the County of Renfrew.

**RESOLUTION NO. CS-CC-24-05-27**

Moved by Chair

Seconded by Committee

THAT County Council support the resolution from the Corporation of the City of Pembroke Council to establish a mental health, drug addiction treatment and residential rehabilitation facility serving the County of Renfrew.

The County of Renfrew, like many other regions, faces significant challenges related to mental health and addiction, with individuals and families grappling with the devastating impact of these conditions. Currently, no residential treatment facilities exist within the County of Renfrew requiring residents to leave the community to seek residential treatment. The lack of local service options acts as a barrier to treatment and requires individuals to be removed from their support systems to get the help they need, adversely affecting outcomes.

The establishment of a treatment facility within the County of Renfrew would provide individuals and families struggling with mental health and addictions the option to receive the medical treatment they require, while remaining in the community they are familiar with and call home.

Sincerely,

Peter Emon  
Warden
