

Town of Arnprior
Regular Meeting of Council: November 10th, 2025
Correspondence Package Number A-25-NOV-11

Recommendation:

That the Correspondence Package Number. A-25-NOV-11 be received, and that the recommendation(s) outlined be brought forward for Council's consideration.

Action Item:

1. Resolution of Support – Ontario Community Infrastructure Fund

Whereas the Town of Arnprior acknowledges that municipal infrastructure – roads, bridges, water and wastewater systems – underpin public safety, economic vitality and quality of life in Ontario's rural and small urban communities; and

Whereas the Ontario Community Infrastructure Fund (OCIF) was created in 2015 to assist small and rural municipalities facing infrastructure deficits that exceed their local revenue capacities; and

Whereas in 2022 the Government of Ontario committed to increase the annual OCIF envelope from \$100 million to \$400 million over a five-year term, with that commitment scheduled to expire at the end of fiscal 2026; and

Whereas fixed funding levels amid rising labour, materials and climate resilience costs have eroded the purchasing power of the \$400 million envelope, jeopardizing municipalities' ability to deliver and sustain essential services without incurring unsustainable debt; and

Whereas predictable, multi-year funding indexed to real-world cost drivers is critical for municipalities to develop, finance and execute long-term asset management plans, reduce emergency repairs and leverage complementary federal and private infrastructure funding; and

Whereas the Town of Arnprior requires a steadfast provincial partner to extend and enhance OCIF beyond 2026, ensuring infrastructure resilience, fiscal sustainability and equitable access for all small and rural municipalities.

Therefore Be It Resolved That

- The Town of Arnprior calls upon the Government of Ontario to extend the annual OCIF envelope at not less than \$400 million beyond its current five-year term ending in 2026, with no reductions in subsequent provincial budgets; and
- The Province be requested to index the total annual OCIF envelope – and each individual municipal allocation – to the Ontario Consumer Price Index, calculated on a calendar-year basis and disbursed in the first quarter of each fiscal year; and
- The Ministry of Infrastructure establish a new five-year OCIF funding framework that guarantees annual envelopes and allocation percentages by municipality, enabling long-term capital planning and stable cash-flow management; and
- The Province undertake a formal review of the OCIF allocation formula at least once every four years, incorporating current municipal asset management data, demographic projections, climate resilience metrics and rural equity considerations; and
- A dedicated contingency reserve equal to 5 percent of the annual OCIF envelope be created within the fund to address extraordinary cost escalations, emergency repairs or project overruns without reallocating core funding; and
- The Ministry of Infrastructure publish an annual OCIF performance report – including program disbursements, allocation adjustments and reserve expenditures – in a transparent, publicly accessible online dashboard; and
- The Clerk of the Town of Arnprior forward this resolution to:
 - The Honourable Doug Ford, Premier of Ontario
 - The Honourable Kinga Surma, Minister of Infrastructure
 - The Honourable Rob Flack, Minister of Municipal Affairs and Housing
 - The Honourable Francois-Phillipe Champagne, Minister of Finance
 - The County of Renfrew
 - The Township of Edwardsburgh Cardinal

2. **Resolution of Support – Support for a Nation-Building 2+1 Highway Program on Highways 17 & 11, Phased Implementation, and Federal-Provincial Partnership under the Building Canada Act**

Whereas Canada's east–west trade and national mobility rely on the Trans-Canada Highway system, including Highways 17 and 11 across Northern and Eastern Ontario, which carry significant freight volumes but remain predominantly two-lane corridors; and

Whereas four-laning the entirety of Highway 17 is the ultimate goal of the communities along the corridor; and

Whereas the proven "2+1" highway design - alternating passing lanes with a continuous median barrier - delivers safety outcomes comparable to full twinning at

substantially lower cost, land, and environmental impact, and can be scaled or converted to four lanes (2+2) as volumes grow; and

Whereas the Government of Ontario has announced a 2+1 pilot between North Bay and Temagami and a further extension toward Cochrane, creating a near-term implementation pathway; and

Whereas modernizing Highways 17 and 11 will improve safety, reduce closures, strengthen supply-chain reliability for mining, forestry, agriculture, tourism and manufacturing, and enhance national resilience and emergency response capacity; and

Whereas a phased 2+1 build - prioritizing Highway 11 (North Bay → Cochrane, then Cochrane → Nipigon) and key sections of Highway 17 (western border of County of Renfrew → Sudbury; Sault Ste. Marie → Sudbury; Thunder Bay → Kenora) - aligns with nation-building criteria, supports economic reconciliation with Indigenous partners, and enables integrated EV charging and low-carbon construction practices;

Whereas analysis summarized by the Federation of Northern Ontario Municipalities, (FONOM) demonstrates high freight demand on these routes and strong safety/economic rationale for a 2+1 program;

Therefore Be It Resolved That the Council of the Town of Arnprior supports the County of Renfrew formally endorsing the adoption and phased implementation of a 2+1 highway program on Highways 17 and 11 as a nation-building project; and

That the Government of Canada be urged to designate this initiative as a project of national interest under the *Building Canada Act* and to partner with Ontario to co-fund and accelerate planning, design, procurement, and construction; and

That the Government of Ontario be urged to expand the announced pilot to a corridor-wide program, sequencing works as follows (subject to readiness and safety benefit):

- Phase 1: Highway 11 (North Bay → Cochrane) and Highway 17 (western border of County of Renfrew → Sudbury);
- Phase 2: Highway 11 (Cochrane → Nipigon) and Highway 17 (Thunder Bay → Kenora; Sault Ste. Marie → Sudbury); and

That the Government of Ontario prioritize these projects into the Ministry of Transportation's Major Projects Division; and

That both governments ensure early, ongoing, and capacity-supported engagement with affected Indigenous Nations, with opportunities for Indigenous training, contracting, and equity participation; and

That the program incorporate corridor-wide safety features (barrier-separated 2+1 cross-sections, controlled passing frequency, wildlife considerations), resilience measures (closure mitigation, climate adaptation), and clean-growth elements (EV charging readiness, recycled aggregates, lower-carbon materials); and

That this resolution be sent to the Prime Minister of Canada, the Premier of Ontario, the Minister of Transport (Canada), the Minister of Infrastructure (Canada), the Ontario Minister of Transportation, local MPs and MPPs, Federation of Northern Ontario Municipalities (FONOM), Northwestern Ontario Municipal Association (NOMA), Association of Municipalities of Ontario (AMO), Federation of Canadian Municipalities (FCM), Rural Ontario Municipal Association (ROMA), Eastern Ontario Wardens' Caucus (EOWC) for support, and the County of Renfrew for information.

3. Municipal Grant Request (In Kind) – Arnprior Braeside McNab Seniors at Home Program

That Council of the Corporation of the Town of Arnprior receive the Municipal Grant request from the Arnprior Braeside McNab Seniors at Home Program; and

Whereas the Arnprior Braeside McNab Seniors at Home Program is an eligible organization under the Municipal Grants Policy and supports the community in providing practical home support services, transportation, and socializing opportunities to encourage independent living and enhance the quality of life of seniors and adults with disabilities.

Therefore Be It Resolved That Council approve the request for waiving the Nick Smith Centre Community Hall rental fees (value of approximately \$365.00 plus HST) for the Arnprior Braeside McNab Seniors at Home Christmas Craft Fair to be held on December 6th, 2025; and

Further That the Arnprior Braeside McNab Seniors at Home Program be advised that it is mandatory to carry sufficient liability insurance and have the Town of Arnprior added as an additional insured for the event.

4. Municipal Grant Request (In Kind) – Renfrew County 55+ Summer Games 2026

That Council of the Corporation of the Town of Arnprior receive the Municipal Grant request from the Renfrew County 55+ Summer Games 2026; and

Whereas the Renfrew County 55+ Summer Games 2026 is an eligible organization under the Municipal Grants Policy and supports adults 55+ in the community by providing opportunities to increase social interaction, promoting physical and mental wellbeing, and promoting active living.

Therefore Be It Resolved That Council approve the request for waiving the Nick Smith Centre arena rental fees (value of approximately \$1,300.00 plus HST) for the Renfrew County 55+ Summer Games 2026 to be held on June 9th and 10th, 2026; and

Further That the Renfrew County 55+ Summer Games 2026 Renfrew County 55+ Summer Games 2026 be advised that it is mandatory to carry sufficient liability insurance and have the Town of Arnprior added as an additional insured for the event.

5. Municipal Grant Request (In Kind) – Arnprior Optimistic Women’s Club

That Council of the Corporation of the Town of Arnprior receive the Municipal Grant request from the Arnprior Optimistic Women’s Club; and

Whereas the Arnprior Optimistic Women’s Club is an eligible organization under the Municipal Grants Policy and supports the community by bringing people, families, and friends together to give back to the community.

Therefore Be It Resolved That Council approve the request for waiving the Nick Smith Centre arena rental fees (value of approximately \$145.00 plus HST) for the Arnprior Optimistic Women’s Club’s Give Back Disco Skate to be held on December 21st, 2025; and

Further That the Arnprior Optimistic Women’s Club be advised that it is mandatory to carry sufficient liability insurance and have the Town of Arnprior added as an additional insured for the event.

WHEREAS the Township of Edwardsburgh Cardinal requires a steadfast provincial partner to extend and enhance OCIF beyond 2026, ensuring infrastructure resilience, fiscal sustainability and equitable access for all small and rural municipalities;

NOW THEREFORE BE IT RESOLVED THAT

1. The Township of Edwardsburgh Cardinal calls upon the Government of Ontario to extend the annual OCIF envelope at not less than \$400 million beyond its current five-year term ending in 2026, with no reductions in subsequent provincial budgets.
2. The Province be requested to index the total annual OCIF envelope—and each individual municipal allocation—to the Ontario Consumer Price Index (CPI), calculated on a calendar-year basis and disbursed in the first quarter of each fiscal year.
3. The Ministry of Infrastructure establish a new five-year OCIF funding framework that guarantees annual envelopes and allocation percentages by municipality, enabling long-term capital planning and stable cash-flow management.
4. The Province undertake a formal review of the OCIF allocation formula at least once every four years, incorporating current municipal asset management data, demographic projections, climate resilience metrics and rural equity considerations.

RE: Support for a Nation-Building 2+1 Highway Program on Highways 17 & 11, Phased Implementation, and Federal-Provincial Partnership under the Building Canada Act

Dear Prime Minister Carney and Premier Ford:

The Council of the Corporation of the County of Renfrew, at their regular meeting on September 10, 2025, passed a motion in support of a Nation Building 2+1 Highway Program on Hwy 17 and 11. Our community believes both of your governments received strong mandates to invest in Canada, to mitigate the erratic decisions of the USA. Utilizing highway 416 domestic and international goods can access the ports along the St. Lawrence.

We are hopeful and trust all Members of Parliament and Members of Provincial Parliament who are elected or reside in communities adjacent to the corridor will signify their support and join in endorsing this Nation building project. We are well past the point where partisan posing will develop solutions or result in a project of the magnitude of importance this one has for Canada. Local municipalities and associations are being asked to endorse this project and to share it with the community.

The motions passed unanimously is as follows:

RESOLUTION NO. OP-CC-25-08-112

Moved by Chair

Seconded by Committee

WHEREAS Canada's east-west trade and national mobility rely on the Trans-Canada Highway system, including Highways 17 and 11 across Northern and Eastern Ontario, which carry significant freight volumes but remain predominantly two-lane corridors; and

WHEREAS four-laning the entirety of Highway 17 is the ultimate goal of the communities along the corridor; and

WHEREAS the proven "2+1" highway design - alternating passing lanes with a continuous median barrier - delivers safety outcomes comparable to full twinning at substantially lower cost, land, and environmental impact, and can be scaled or converted to four lanes (2+2) as volumes grow; and

WHEREAS the Government of Ontario has announced a 2+1 pilot between North Bay and Temagami and a further extension toward Cochrane, creating a near-term implementation pathway; and

WHEREAS modernizing Highways 17 and 11 will improve safety, reduce closures, strengthen supply-chain reliability for mining, forestry, agriculture, tourism and manufacturing, and enhance national resilience and emergency response capacity; and

WHEREAS a phased 2+1 build - prioritizing Highway 11 (North Bay → Cochrane, then Cochrane → Nipigon) and key sections of Highway 17 (western border of County of Renfrew→ Sudbury; Sault Ste. Marie → Sudbury; Thunder Bay → Kenora) - aligns with nation-building criteria, supports economic reconciliation with Indigenous partners, and enables integrated EV charging and low-carbon construction practices;

WHEREAS analysis summarized by the Federation of Northern Ontario Municipalities, (FONOM) demonstrates high freight demand on these routes and strong safety/economic rationale for a 2+1 program;

NOW THEREFORE BE IT RESOLVED THAT the Council of the County of Renfrew formally endorses the adoption and phased implementation of a 2+1 highway program on Highways 17 and 11 as a nation-building project; and

THAT the Government of Canada be urged to designate this initiative as a project of national interest under the *Building Canada Act* and to partner with Ontario to co-fund and accelerate planning, design, procurement, and construction; and

THAT the Government of Ontario be urged to expand the announced pilot to a corridor-wide program, sequencing works as follows (subject to readiness and safety benefit):

- Phase 1: Highway 11 (North Bay → Cochrane) and Highway 17 (western border of County of Renfrew → Sudbury);
- Phase 2: Highway 11 (Cochrane → Nipigon) and Highway 17 (Thunder Bay → Kenora; Sault Ste. Marie → Sudbury); and

THAT the Government of Ontario prioritize these projects into the Ministry of Transportation's Major Projects Division; and

THAT both governments ensure early, ongoing, and capacity-supported engagement with affected Indigenous Nations, with opportunities for Indigenous training, contracting, and equity participation; and

THAT the program incorporate corridor-wide safety features (barrier-separated 2+1 cross-sections, controlled passing frequency, wildlife considerations), resilience measures (closure mitigation, climate adaptation), and clean-growth elements (EV charging readiness, recycled aggregates, lower-carbon materials); and

THAT this resolution be sent to the Prime Minister of Canada, the Premier of Ontario, the Minister of Transport (Canada), the Minister of Infrastructure (Canada), the Ontario Minister of Transportation, local MPs and MPPs, Federation of Northern Ontario Municipalities (FONOM), Northwestern Ontario Municipal Association (NOMA), Association of Municipalities of Ontario (AMO), Federation of Canadian Municipalities (FCM), Rural Ontario Municipal Association (ROMA), Eastern Ontario Wardens' Caucus (EOWC), and neighboring municipalities for support; and

THAT a copy be posted to the municipal website and related social media channels.

I hope you will be able to visit our community. We would welcome an opportunity to arrange and accompany you on a visit to Garrison Petawawa, an important part of Canada's Defense and International Crisis Response Strategy. The Garrison has developed over 100 years with significant federal, provincial and municipal

investment. At the same time, we would also suggest a visit to Canadian Nuclear Laboratories Chalk River site. For over 70 years, it has been and remains home to Canada's nuclear industry.

Together they represent \$100s of billions of past, present and future investment by Ontario and Canada. The future should be limitless in terms of their development and their ability to respond to emergencies. The sad truth is, they are strangled by two lanes of a congested TransCanada highway, heading both west and east.

We appreciate your attention to this important matter and welcome any opportunity to discuss it further.

Sincerely,

Warden Peter Emon

Organization/Grant Information	
What is the function of your organization (mandate/key objections)?	
The Arnprior Optimistic women's club is a volunteer service club. We have a total of 14 volunteers. Our board members are made up of a president, secretary, treasurer, fundraising chair, social chair, outreach chair. As well as a committee to support the board and carry out our events and help support our community. The AOWC members work each day to bring out the best in children,	
Please provide an overview of the service, program or event being supported with this funding.	
We will be "giving back" to our community. We strive to bring people and families and friends together from our community. The AOWC will be hosting a disco themed skate with great music, and disco lights (we will discuss with the NSC the details of lights to be in compliance with what they are most comfortable with). The club will have some delicious treats and hot chocolate. We will encourage our coffee drinkers to check out the canteen at the NSC too. We will also continue our "Cereal for Seuss box drive for the food bank and ask families to donate 1 box so we can	
Please explain how this service, program or event benefits the Town of Arnprior and its residents.	
Skating is a great recreational sport for families to enjoy together. For beginners or experienced and everyone in between, it's a reminder of how much fun it is to skate. We hope that the new residents who are asking for fun things to do in town, will come out and see our community rec centre and the great options we have for family's to get out and be active together. As the last day of school is also Dec 19th, its a great event for our community to come and kick start their Holidays. With the lending hub initiative, it can be easy for anyone to enjoy the ice. Our goal is to get our community to come out and enjoy themselves, meet new people and learn about the AOWC and how we can support them as well as the NSC and the great programs offered.

The request of rink cost and time is comparable to previous Skate years. This is not taking into consideration any inflation of the NSC rink costs. Your assistance in offsetting the cost of rink use, would be greatly appreciated. We can shift our focus to creating an atmosphere that is exciting and fun and promote our club initiatives and the Nick Smith Centre.
